BACK ON TRACK MENTOR Tennant Creek

Saltbush Social Enterprises is a not-for-profit organisation leading the way in providing responsive and outcome focused services particularly to disadvantaged and at-risk Aboriginal people and their families.

Through the **Saltbush Back on Track Program**, our overarching objective is getting young people back on track through providing alternative diversion pathways for at-risk youth aged 8 to 17.

We are looking for a **Mentor** to provide professional case management services as part of a passionate and caring team of mentor-support practitioners delivering multi-faceted strength-based programs for young people in this program.

You will be a positive and supportive role model for disadvantaged Aboriginal youth with a proven ability to empower young people and their families to make positive life changes.

Experience working in the Child or Youth Services with significant Case Management will give you a good understanding of this type of work and will be highly regarded.
