

ASSISTANT MANAGER

Darwin

Saltbush Social Enterprises is an expanding, innovative organisation dedicated to leading the way in providing responsive and outcome focused services particularly to disadvantaged and at-risk Indigenous people and their families throughout the Territory.

At **Saltbush**, we are 'can do' people with a passion and commitment to the delivery of easily accessible and culturally appropriate support that empowers a positive understanding and attitude towards better life choices.

Saltbush's Supported Bail Program offers safe, secure and supportive 24/7 accommodation services to young people on Bail as an alternative to remanding them in custody.

The Opportunity

We have an exciting role for a dynamic, passionate and dedicated Assistant Manager who is committed to providing opportunities for at risk young people through the coordination and delivery of innovative youth programs for participants at our Supported Bail Accommodation.

You will have a natural ability to engage with youth, thoroughly understand trauma informed care, and be committed to magnifying the voices of young people through creating environments that support positive outcomes.

The Assistant Manager is responsible for:

- the design, development and coordination of internal vocational, educational and recreational activities;
- coordination of all external service providers who deliver programs at the facility; and
- working closely with support staff to ensure all programs and activities are delivered as part of a comprehensive program plan.

This role would ideally suit someone with a background in youth support services, training, coaching or special education teaching.

If you are progressive in your thinking, genuine and creative in your approaches and enjoy being challenged to think outside the box for best outcomes, then you will be a great fit.
