CASE MANAGER

Alice Springs

Saltbush Social Enterprises is an expanding, innovative organisation dedicated to leading the way in providing responsive and outcome focused services particularly to disadvantaged and at-risk Indigenous people and their families throughout the Territory.

At **Saltbush**, we are 'can do' people with a passion and commitment to the delivery of easily accessible and culturally appropriate support that empowers a positive understanding and attitude towards better life choices.

Saltbush's Supported Bail Program offers safe, secure and supportive 24/7 accommodation services to young people on Bail as an alternative to remanding them in custody.

The Opportunity

We have an exciting role for an experienced and passionate Case Manager who is committed to providing support for at-risk young people, enabling them to meet their bail conditions and improve their prospects of avoiding detention.

You will have a person-centred approach, focused on providing participants with opportunities to improve their wellbeing, living skills, education and employability prospects.

As an outcome focussed 'people person', and with the support of our passionate Supported Bail Accommodation team, you will thrive in your ability to provide holistic, comprehensive case management services with a therapeutic foundation for our participants.

Ideally, you will have experience, understanding and success in working in a case management setting with disadvantaged, at-risk Indigenous youth and assisting them to overcome the challenges they face.

If you are progressive in your thinking, genuine in your approach and enjoy being challenged to think outside the box for best outcomes, then you will be a great fit for the team.
